

UNITED STATES PATENT AND TRADEMARK OFFICE  
Certificate

Patent No. 7,524,650 B2

Patented: April 28, 2009

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Marie-Anne Petit, Bron (FR); Colette Jolivet-Reynaud, Saint Bonnet de Mure (FR); and Christian Trepo, Lyon (FR).

Signed and Sealed this Thirteenth Day of September 2011.
